

BROSWAY ITALIA
CATALOGUE UPDATE
SEPTEMBER 2016

AFFINITY

Finding your soul mate means finding someone who is similar to you in personality, who completes you. So the rings and earrings in this collection are made with crystals of different sizes in a wide variety of pastel colors, put together in sparkling and original combinations.

MATERIALS: Brass. Rhodium. Swarovski® Elements crystals. Gold Pvd, Rose Gold Pvd. Zircon.

DISPLAY - Display the whole collection, as in the photo, to show all the colour and size variants.

G I T A N A

It is an enchanted garden with a thousand different hues in which to dream, in ecstasy amidst the aroma of the roses. Geometrical and retro-chic forms blend with animal prints or floral textures in shades that range from the lightest pastel to the boldest option. Imagination comes to life with a gypsy touch!

OLIVIA

With a vintage feel, Olivia has the taste of past times, of wild dances at the rhythm of swing, of wide skirts lifted by the wind, of Lambretta scooters and sunglasses like the 50s' divas, of writing machines and dreams to be told.
